

UK Public Sector Ltd

67 Grosvenor Street, London, W1K 3JN

Registered in England & Wales

Company No. 06341107 Vat Registration No. 942439513

UK Public Sector Ltd can provide solutions to your business problems through advice to your Executives and Boards, leadership support to your projects and programmes and management best practice to your business streams.

We offer tailored, professional and value for money consultancy support that is collaborative in nature and delivery focused.

Established in 2007 and now based out of our central London offices, UK Public Sector is a fast growing management consultancy practice with a national footprint.

Our leadership team of Directors has a depth and breadth of senior level management experience and success that our clients value

We pride ourselves on maintaining the highest professional standards of excellence for our clients. In doing so, we are pragmatic, committed and trusted advisers that demand the best contributions from the best consultants.

Our Values

UK Public Sector's values are about creating a strong sense of shared ownership and identity. Our values are fundamental to the way we work with our clients and each other.

We strive to:

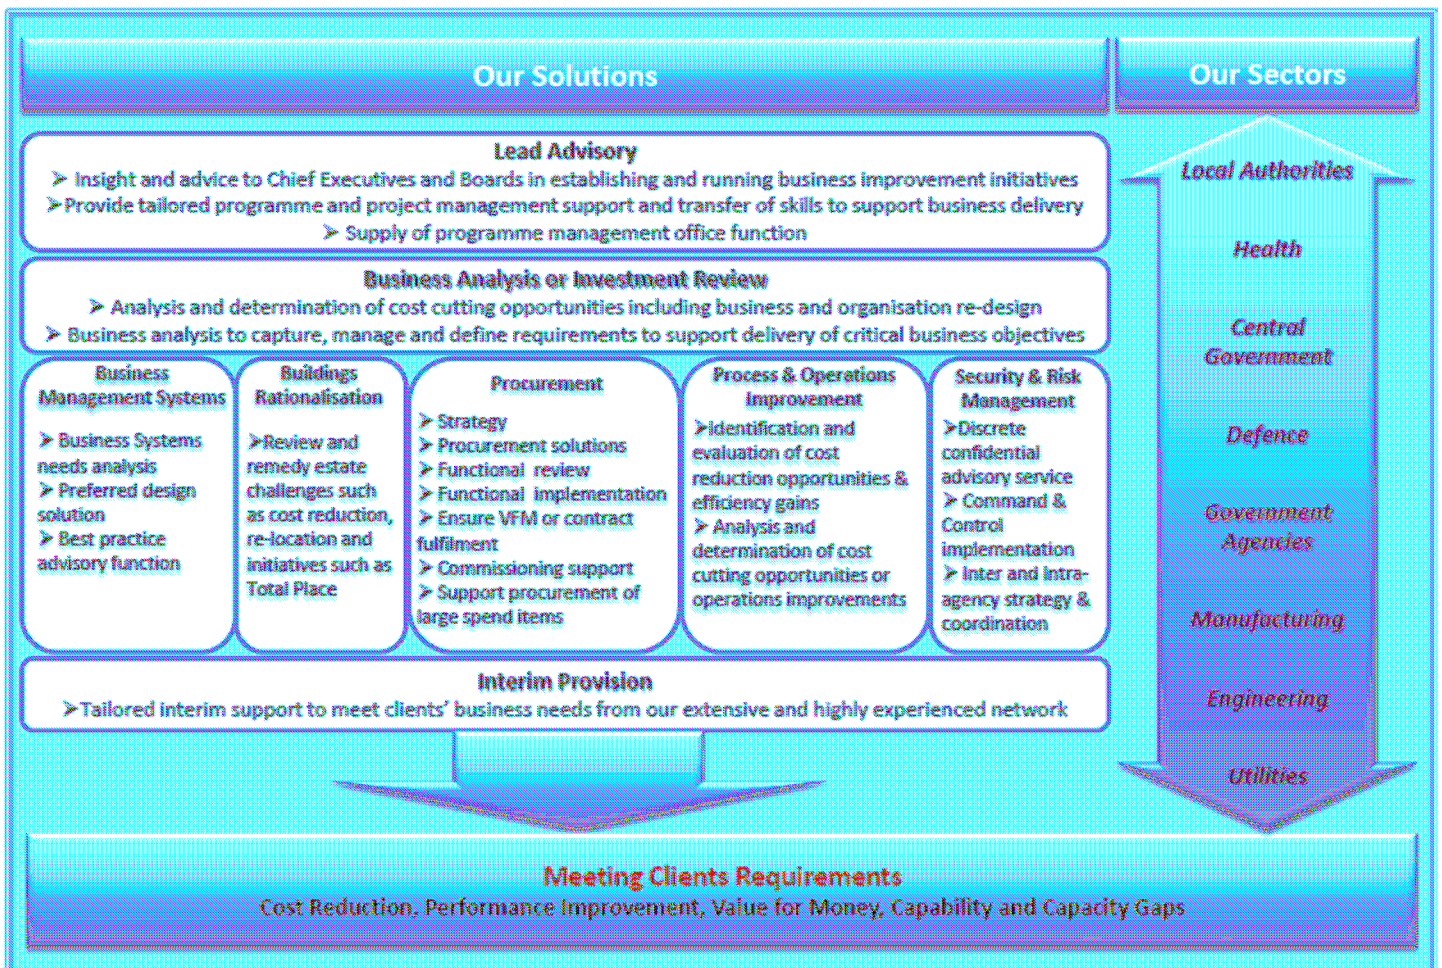

- Put the client first
- Deliver real value for money
- Behave in a collaborative, supportive way, with integrity, respect and open communication
- Ensure we transfer skills to our clients
- Be rigorous in everything we do to build our reputation as trusted and objective business advisers.

Our Value for Money Pledge

We operate with a central core of 5 Directors supported by 35 quality associates, many of whom are ex 'Big Four', or from strategy houses. This robust structure and lean operating model enable us to provide top quality management consultancy at highly competitive rates

'At UK Public Sector, we believe in maintaining the highest standards of excellence for our clients but providing Value for Money.'

Our Services

What our clients say:

“UK Public Sector has provided best-practice procurement advice and category managers to the process of healthcare commissioning. This has facilitated the streamlining of business processes to allow scope economies within the PCT’s strategy, resulting in both reduced costs and more efficient delivery of project and programme benefits.”

Mr Paul Jenkins – Deputy Chief Executive of Westminster Primary Care Trust & Head of Service Development

“UK Public Sector provided outstanding support and leadership to NCC on the Business Improvement Programme. The quality and thoroughness of the work throughout has been very high and this has been instrumental in building confidence with the Administration. It has been a very impressive performance and I am immensely grateful for your support and hard work.”

Mr Tim Gregory – Corporate Director, Corporate Services, Nottinghamshire County Council

“UKPS Ltd has been integral to the formation and development of strategic thinking associated with National co-ordination mechanisms. They have delivered an extensive stakeholder engagement programme, achieved agreement on strategic principles and an associated set of detailed proposals for national coordination for London 2012.”

Chief Superintendent Jim Busby – Metropolitan Police Service, Special Operations Olympic Unit

“UKPS has provided both consultancy support and integrated procurement expertise to provide best-practice procurement advice and develop processes to support the commissioning of healthcare services. UKPS individuals have played an integral role in the development of in-house procurement services for NHS Westminster. This has facilitated the streamlining of business processes to allow scope economies within the PCT’s strategy resulting in both reduced costs and more efficient delivery of project and programme benefits.”

Sue Page – Director Procurement, Westminster Primary Care Trust

The UK Public Sector Leadership Group

Derry O'Neill, Managing Partner (derry.oneill@ukpublicsector.co.uk)

Derry is a dynamic and effective Business Change and Procurement Director with 20 years experience of leading and managing a broad portfolio of projects within Central and Local Government, the National Health Service, Ministry of Defence and the private sector. A former Programme Director with KPMG, Derry supports his clients to design, lead and deliver strategic and operational initiatives. Prior to KPMG, Derry held procurement management roles at Nissan and Siemens.

Oliver Cappleman, Director (oliver.cappleman@ukpublicsector.co.uk)

Oliver has 10 years extensive procurement experience in both the public and private sector for clients such as the NHS, Foreign and Commonwealth Office, FCO Services, Royal Mail Group, the Department for Children, Schools and Families and BAE Systems. Oliver has a strong theoretical and practical knowledge of procurement, category management, supply chain processes (including P2P), programme and benefits management, and implementing enabling technologies (such as e-procurement systems). His experience includes identification and delivery of cost saving and performance improvement opportunities.

Garry O'Neill, Director (garry.oneill@ukpublicsector.co.uk)

Garry joined UK Public Sector after 17 years in Manufacturing and Operations Management as a manager and consultant with Coca Cola. A dynamic and effective leader with a broad business knowledge and capability and outstanding delivery record, Garry offers a depth of experience gained over a number of years leading internal and external manufacturing consulting client engagements. Garry offers Systems and Process improvement, Leadership Coaching, Procurement and Operations Management expertise to achieve cost reduction and performance improvement programmes. As an outstanding manager, Garry excels at implementing business change programmes through people, both in the private and public sector.

Vincent O'Neill, MBE, MSc, MA, Director (vincent.oneill@ukpublicsector.co.uk)

Prior to joining UK Public Sector Vincent spent 20 years in senior operational command roles in the British army, including 10 years with the Special Air Service. A highly effective leader, motivator and communicator, with proven success of Programme Development and Management, Stakeholder Engagement and Business Systems Review across sectors including utilities, public sector and engineering. Vincent is a subject matter expert on security command, control and coordination and management, including counter terrorism.

Michael Fuller, MBE, MBA, Director (michael.fuller@ukpublicsector.co.uk)

Mike is a dynamic, delivery focused Director with a proven track record of successful delivery in project and programme planning and implementation developed over 20 years at senior and executive management levels within defence, resilience and national security environments. Mike's key strengths are strong leadership and communication abilities, proven analytical skills to support complex problem solving, determination and energy. Prior to joining UK Public Sector, Mike held senior leadership and managerial roles during a successful career within the British Army.
